LYMPHEDEMA SUPPORT GROUP

The Lymphedema Support Group will be a gathering of people, who have lymphedema or live with those who have lymphedema, sharing common experiences and concerns. We will meet together to provide emotional and moral support for one another.

The hope is to encourage a sense of community, a source of empathetic understanding and provide an avenue for establishing social networks. In short, we want to give hope throughout the lymphedema community and to show that no one has to face this alone.

Avenida Place - 707, 12100 Macleod Trail SE Calgary, Alberta T2J 7G9
