Please note that ALA does not promote or recommend any specific speaker, product, service, or vendor over others, nor are we responsible for any content or information contained in their webinars. The lymphedema night webinars/presentations are for educational purposes only. We are committed to ensuring that members and patients have access and knowledge to options that are available to them in managing their lymphedema. We encourage each individual to do their own research and seek advice from a medical professional in order to understand the treatment options, products and services that are right for them.
