

5 STEPS FOR CLINICIANS TO HELP PATIENTS WITH LYMPHEDEMA

1 CONNECT THEM WITH US

We are a patient-run charity dedicated to providing education, resources, and direction to lymphedema patients. We are happy to help!

2 CHECK OUT OUR FREE RESOURCES

Our website features quick links for physicians, general lymphedema information, up-to-date clinic and certified therapist lists, and other resources

3 USE IMD HEALTH RESOURCES

Sign up free to IMD Health and/or download their app to access free and easy-to-find resources on lymphedema for physicians and patients

4 CONTINUE YOUR LEARNING

The University of Alberta's Micro-Credential course on Lymphedema and Chronic Edema Management was designed specifically for Healthcare Clinicians

5 CONTACT US

For additional/specific resources, more information about those listed above, or any other questions you may have!
